

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Accident Prevention - Zero Harm with Zero Tolerance (S1)	
Zero accident vision and its practical solution in Finland	Aaltonen, Markku (2189)
Occupational safety surveillance in the 21st century: breaking ground in Xuan Tien commune, Vietnam	Marucci-Wellman, Helen (2384)
Slips and falls in food service workers: a preliminary analysis of multidisciplinary approach to risk factor assessment	Verma, Santosh (1775)
Locomotion related severe occupational accidents in Finland - causes and prevention	Grönqvist, Raoul (2265)
Acute and Chronic Neurotoxicity after Pesticide Exposure (S2)	
Neurotoxic effects of pesticides after acute poisoning	Moretto, Angelo (2697)
The association of hostility, impulsivity and psychiatric symptoms with pesticide exposure amongst South African farm workers	London, Leslie (1493)
Neurotoxicity of Pesticides in Old and Young Generations	Anger, Wyndham (3323)
Long-term effects of pesticide exposure: the existing evidence	Lotti, M
Aging and Work (S5)	
Menopause- a window to woman's life and workability?	Luoto, Riitta (1959)
Can visual discomfort for aging visual display unit workers influence on muscle pain?	Aarås, Arne (1660)
Measurement of Work, Age and Health	Hasselhorn, Hans Martin (1977)
Reasons for early retirement and for continuing working	Proper, Karin (1829)
Work ability-related presenteeism and sickness absence in relation to age and gender	Nygård, Clas-Håkan (2715)
Agriculture in Developing Countries Part 1 (S6)	
Community Pesticide Action Monitoring in Ngarenanyuki, Tanzania	Ngowi, Aiwerasia Vera (1915)
Rural women experiences in Colombia: hearts of family and progress in rural areas.	Rodriguez Guzman, Julietta (2515)
Promoting the health of rural farmers using the Village Health Team (VHT) Strategy in Uganda	Sekimpi, D
Occupational Poisoning and Prevention of Pesticide in China.	Wang, Sheng (3021)
Prevention of pesticide incidents in Malaysia	Hamedon, Titi Rahmawati (1075)
Family farming in the southern Brazilian region	Faria, Neice Müller Xavier (2518)
Agriculture in Developing Countries Part 2 (S6)	
Agricultural activities, pesticide use and occupational hazards among women working in small scale farming in northern KwaZulu-Natal, South Africa	Naidoo, Saloshni (1685)
A model for Cooperative Agricultural Occupational Health Research and Education between Western and Developing Countries: The Gambia, West Africa, and Iowa, U.S.A.	Vanderwal, Londa (3327)
Exposure of mushroom and rice mill farmers to bioaerosols	Phakthongsuk, Pitchaya (1286)
Is there child labour in cocoa agriculture in Ghana?	Clarke, Edith (3053)
Occupational hazards from the planting, harvesting and processing of dates in the UAE	Taimur, Zarqa (3064)
Allergy and Asthma in the Fishing and Seafood Processing Industry Part 1 (S7)	
Asthma and work-related symptoms among fishermen and fish processing workers	Andersson, Eva Be (1462)
Snow crab asthma and allergy in Greenland	Bønløkke, Jakob Hjort (1322)
Exposure to aerosols and herring antigen among workers with occupational respiratory symptoms	Dahlman-Höglund, Anna (1408)
Bioaerosol exposure and airway symptoms in seafood industry workers	Shiryayeva, Olga (1726)

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Sensitisation to <i>Anisakis simplex</i> in seafood processing workers. An occupational disease?	Montalti, Manfredi (2186)
Allergy and Asthma in the Fishing and Seafood Processing Industry Part 2 (S7)	
Industrial Change, Precarious Work, Gender and Occupational Allergy and Asthma in Seafood Processing: Insights from Case Studies in Newfoundland and Labrador, Canada and South Africa	Howse, Dana (3182)
Exposure to proteolytic enzymes in the herring and shrimp processing industry	Aasmoe, Lisbeth (1483)
Measurement of Aerosolized Protein Allergens in Crab Processing Plants by Mass Spectrometry	Abdel Rahman, Anas (2676)
Occupational sensitisation to the Rock Lobster <i>Jasus lalandii</i> - Diagnostic and Molecular Aspects	Lopata, Andreas (2169)
Salmon proteases as activators of airway inflammatory responses. Relevant exposure agents in seafood industry?	Bang, Berit Elisabeth (1499)
Asbestos: Controversies and Some Solutions (S40)	
Fifty years on: John Christopher Wagner - mesothelioma and asbestos exposure	Berry, Geoffrey (2659)
The toxicity of chrysotile and amphibole asbestos; Current perspective based on recent data	Bernstein, David (2364)
Cancer mortality by exposure to chrysotile asbestos and smoking: A case controlled study within a cohort in China	Yano, Eiji (1360)
Asbestos in Brazil	Algranti, Eduardo (1328)
The Nutec challenge: Eliminating asbestos from fibre cement building products	Gibson, Brian (1623)
Asthma and COPD in Organic Dust Exposed Settings (S9)	
The incidence of asthma among young farmers	Omland, Øyvind (2980)
Effects of exposure to biomass combustion in respiratory symptoms	Silva, Luiz Fernando (3229)
Does bio-fuel affect health among heat- and power plant workers?	Schlünssen, Vivi (2869)
Respiratory health among sisal processing workers in Tanzania	Kayumba, Akwilina (1914)
Microbiological cell wall agents and their receptors in occupational toxicology	Sigsgaard, Torben (3183)
Basic Occupational Health Services: New Approaches Part 1 (S10)	
WHO Global Plan of Action: Workers' Health	Wilburn, Susan (2542)
Basic Principles and Practices of Basic Occupational Health Services	Rantanen, Jorma (3046)
National Programme for Basic Occupational Health Services in China	Chen, Rui (2940)
The development of Basic Occupational Health Service (BOHS) model for prevention and control of silicosis in Thailand	Siriruttanapruk, Somkiat (1892)
Basic Occupational Health Services: New Approaches Part 2 (S10)	
Basic Occupational Health Services as a part of the National Health Programme in Vietnam	Nguyen, Thi Hong Tu (2112)
National Profile on Occupational Safety and Health in China	Li, Tao (3027)
Round Table of Speakers	Rantanen, Jorma (3046)
Biological Monitoring, Biomarkers of Susceptibility, and Human Risk Assessment of Metal Exposures (S11)	
Aspects on the use of biomarkers of exposure and effect in risk assessment regarding human exposure to toxic metals	Barregard, Lars (1772)
Biomarkers of neurotoxicity: need of indicators for lifetime exposure	Lucchini, Roberto (1380)

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Risk of cadmium related kidney dysfunction among persons with elevated plasma levels of autoantibodies against metallothionein	Nordberg, Gunnar F. (2267)
Biomarkers of Nephrotoxicity	Bernard, Alfred (3228)
Bridging General and Occupational Health Care: Coping with the Blind Spot Part 1 (S12)	
Bridging occupational and family medicine: the WONCA-ICOH Collaboration, starting in Europe	Svab, Igor
Coping the blind spot: The need to bridge occupational and primary health care	Buijs, Peter (2524)
Bridging General and Occupational Health Care: Coping with the Blind Spot Part 2 (S12)	
Health care for workers in the USA and the 'Blind Spot'	Lum, Max (2022)
Japanese Occupational Health system and Blind Spot for Worker's Primary Health Care, Especially in General Physician Practice in Japan	Fukuda, Hiroshi (1453)
Blindspot in occupational health in South Africa	Naidoo, Saloshni (1685)
The blind spot issue, new developments in health care and in R&D in the Netherlands	Van Dijk, Frank (1525)
Is there a blind spot in Slovenia?	Svab, Igor
Coping the Blind Spot by achieving better cooperation between general practitioners and occupational physicians: The German ÄrBeK project	Pfaff, Holger (3214)
Building the Business Case for Employers: Investment in Occupational Health and Safety (S13)	
Human resources management: the business case for integration of Occupational Health and Safety	Van Zyl, Jack
Building a business case for Health in your Workplace	Heron, Richard (1098)
Case-based E-Learning in Occupational Health-The International NetWoRM Project (S93)	
Support and help during the workshop; Answering of questions and talking about their experiences regarding the implementation of the cases	Kolb, Stefanie (2352)
Support and help during the workshop; Answering of questions and talking about their experiences regarding the implementation of the cases	Cantineau, J
Support and help during the workshop; Answering of questions and talking about their experiences regarding the implementation of the cases	Pauncu, Elena-Ana (2545)
Support and help during the workshop; Answering of questions and talking about their experiences regarding the implementation of the cases	Vellore, A.D
Chemicals - New Occupational and Environmental Health Challenges and Solutions (S15)	
Guidance for the interpretation of biomonitoring data	Flueckiger, Andreas (1074)
Role of exhaled breath analysis in environmental and occupational research	Hoffmeyer, Frank (3404)
Evaluation of urine based tumour markers for the early detection of bladder cancer in workers formerly exposed to aromatic amines	Nasterlack, Michael (1929)
Ecological and population monitoring following emissions of persistent organochlorine compounds from a special waste treatment facility	Guidotti, Tee (1825)
Child Labour Part 1 (S14)	
Stopping child labour by protecting your workers?	Gunn, Susan (2243)
Identification and prioritisation of hazardous work, work processes and workplaces involving child labour in Nepal	Joshi, Sunil Kumar (1710)
Children working in the streets of Colombian cities: Different pathways to the street lead to different populations	Pinzon-Rondon, AM

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Entry level training in workplace hazard awareness for young people in the United Kingdom in full time education between ages of 14-19 years	Nimick, Brian (2628)
Child Labour Part 2 (S14)	
Assessment of hazards faced by child and young workers and experience of improving safety and health at workplaces to combat hazardous child labour in Pakistan	Awan, Saeed (3359)
Environmental Impacts and Health Status of Juveniles Working at the Pottery Clay Crafts Area, South of Cairo	Lotfy, Bahira (1560)
Occupational health problems of children working in footwear units of Agra, India	Tiwari, Rajnarayan (3157)
Classification of Musculoskeletal Disorders in Occupational Health Practice and Research (S16)	
Welcome and Introduction	Sluiter, Judith (1165)
How to decide the limit/severity of musculoskeletal ill health/ health problems in a worker or in a group of workers that will require action from the occupational health professional?	Violante, Francesco Leclerc, Annette (2552) Costa, Giovanni (1312)
How to handle 'normal symptoms' as 'fake' diagnoses for the concerned worker, the employer and the union	Hagberg, Mats (1520) Roquelaure, Yves (1458) Rempel, David (1657)
What measures or classification system of musculoskeletal health do we need in the near future that better could be used to address sustainable musculoskeletal health and related work ability, compared to the present?	Bonfiglioli, Roberta (3451) Frings-Dresen, Monique (1164) Stock, Susan (2382)
Contribution of International Programs to Occupational Health in Developing Countries Part 1 (S17)	
Providing international funding - the why and how of Fogarty's international mission	Suk, W
Promoting Occupational Health in Developing Countries - the Swedish experience	Elgstrand, Kaj (1119)
Do international funding initiatives work? - The Fogarty experience in Southern Africa	Robins, Thomas (2492)
Developing academic research capacity through Norwegian doctoral programmes	Moen, Bente Elisabeth (1934)
Engaging regional partners - what works and what doesn't in promoting occupational health in Southern Africa - the WAHSA/Sida Experience	Ryan, Amanda (1102)
Contribution of International Programs to Occupational Health in Developing Countries Part 2 (S17)	
SALTRA and WAHSA in Central America and Southern Africa: promising but truncated models for capacity building in occupational health	London, Leslie (1493)
Funding sustainable occupational health development in Southern Africa - what are we aligning to?	Naidoo, Rajen (1841)
What are the possibilities for international inter-agency collaboration?	Naidoo, Rajen (1841)
Meeting the occupational health agenda for developing regions – the role of funding agencies	Panel Discussion
Control Banding Part 1: Developing Simple Guidance Toolkits for Employers (S69)	
What is control banding? Global Implementation Strategy	Wilburn, Susan (2542)
IOHA and Control Banding: Past, Present, and Future - Reflections of a President of the International Occupational Hygiene Association	Grumbles, Thomas (2818)
Can Control Banding be Better than Traditional Industrial Hygiene?	Zalk, David M. (3102)
Evaluation of chemical exposure and validation of the hazard controls in selected industrial sectors in Southern India using modified Chemical Risk Management (Control Banding) Toolkit	Ramalingam, Ayyappan (2120)

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Control Banding Part 2: Practical Tools for Primary Prevention (S69)	
Stoffenmanager: a web-based chemical control banding tool for SMEs using a quantitative exposure assessment model	Heussen, Henri (1629)
Psychosocial Risk Management (PRIMA) Tool Kit	Leka, Stavroula (1176)
Chemical control banding in Germany - EMKG 2.0	Packroff, Rolf (3149)
Control Banding Part 3: Emerging Models for Control Banding Toolkits (S69)	
Korea -- KOSHA Control Toolkit for Industrial Chemicals	Kang, Seong-Kyu (1443)
Control Banding Nanotool: Evaluation of a qualitative risk assessment method for the control of nanoparticulate exposures	Zalk, David M. (3102)
Improving the cooperation between general and occupational health care: A toolbox for general and occupational practitioners	Kowalski, Christoph (3200)
Norway: ChemiRisk - a Man, Technology and Organization (MTO) perspective in Control Banding	Smedbold, Hans Thore (2503)
Distance Education: Demonstration of Current Modalities and Planning for Global Courses (S19)	
Distance Education: Lessons Learned & Planning for a Global Curriculum	Forst, Linda (2252) Myers, Jonathan (1434)
Panellists and Facilitators	Almaguer, Sergio Conroy, Lorraine (2060) Robins, Thomas (2492) Salvatierra, Maria (2546) Wagner, Norbert (1885)
E-Learning in Occupational Health: Academic and Continuing Education (S20)	
Development of an Occupational Health Nursing Interdisciplinary Master of Public Health Degree and Certificate Program via Distance Learning: Meeting the Educational Needs of Practitioners	Ostendorf, Judith (1181) Rogers, Bonnie (1305)
Case-based E-learning in Occupational Health at Academic and Continuing Medical Levels	Kolb, Stefanie (2352)
Development and Adaptation of an E-learning Program in Occupational Health in Five African Countries: The FORST Program	Patry, Louis (3363)
Is Case-based E-learning in Occupational Medicine Effective in Medical Education	Smits, Paul B A (1911)
Emerging EMF Technologies and Health Risk Management (S89)	
Present and emerging EMF sources in the workplace	Hansson Mild, Kjell (2862)
ICNIRP's exposure guidelines for EMF	Hietanen, Maila (1703)
Summary of epidemiological findings	Gobba, Fabriziomaria (1340)
Occupational health considerations	Hillert, Lena (2810)
Recommendations on health risk communication	Repacholi, Michael (2779)
Enterprise Restructuring and Health (S84)	
From unemployment research to coping with transitions and restructuring	Kieselbach, Thomas (1514)
Health effects of organisational downsizing on employees: risks and mechanisms	Vahtera, Jussi (1781)
Enterprise restructuring and the health of Dutch employees: Data and policy recommendations	Joling, Catelijne (2218)
Occupational health care during restructuring and downsizing	Elo, Anna-Liisa (1602)

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Ethical and Scientific Issues Related to Studies in Human Volunteers for Regulation of Pesticide Usage (S21)	
An ICOH workgroup to investigate the ethical and scientific issues in the use of data from studies involving deliberate exposure of human volunteers in the Regulation of Pesticide Usage	London, Leslie (1493)
The role of human volunteer studies to assess pesticide hazards from the evaluation of selected published studies	Colosio, Claudio (1358)
The role of human volunteer studies to assess pesticide hazards from the evaluation of selected studies used in JMPR evaluations	Moretto, Angelo (2697)
Ethical considerations in the approach to the ethics of human volunteer studies involving experimental exposure to pesticides	Westerholm, Peter J.M. (2197)
Use of data from studies involving deliberate exposure of human volunteers in the Regulation of Pesticide Usage: Ethical and Scientific Issues	London, Leslie (1493)
Evidence-based Occupational Health: Understanding Cochrane Systematic Reviews (S95)	
The Cochrane Collaboration and the Cochrane Occupational Health Field	Verbeek, Jos (1621)
Discussion leader: What's so special about a systematic review?	Young, Taryn (2768)
Discussion topics: Understanding and interpreting Cochrane Reviews	Verbeek, Jos (1621) Young, Taryn (2768)
Evidence-based Occupational Health: How to conduct a Cochrane Systematic Review (S96)	
How to conduct a Cochrane Review: practical procedures and opportunities	Young, Taryn (2768)
Discussion leaders for small group discussions: How to best formulate a title for a Cochrane	Young, Taryn (2768) Verbeek, Jos (1621)
Discussion topic: Classification of Occupational Health Intervention Studies	Verbeek, Jos (1621)
Globalization and Occupational Health: Current Trends and Future Directions - Parts 1 and 2 (S30)	
Introduction: conceptual framework, session objectives	Macdonald, Wendy (2616)
Globalisation and occupational health: current trends and future directions in Europe	Rial González, Eusebio (1323)
Globalization and occupational health: current trends and future directions in Latin America and Caribbean	Mendes, René (2564)
Globalisation and occupational health: current trends and future directions in Southern Africa	Ryan, Amanda (1102)
Globalisation and occupational health: current trends and future directions in East / South East Asia	Kawakami, Tsuyoshi (2534)
Summary of key issues and consensus points	Rees, David (1141)
Globally Harmonized Systems: Challenges, Implementation and the Role of the Occupational Health Professional (S31)	
The Globally Harmonized System of Classification and Labelling Chemicals (GHS): opportunities and challenges	Grumbles, Thomas (2818)
Communicating Chemical Health Hazards to Vulnerable Workers and Promoting Risk Reduction: the role of the health professional	Rother, Hanna-Andrea (2031)
Grantees and Students: Introductions and Networking (S32)	
Welcome to grantees and students and roundtable of short presentations about ICOH2009 opportunities	Lum, Max (2022)

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Healthy Workplaces: An integrated, comprehensive approach to total (mental, physical & psychosocial) health at work (S33)	
Healthy workplaces - an integrated comprehensive approach to total (mental, physical and psychosocial) health and wellness at work	Abeytunga, Patabendi (2692)
Working towards a WHO global approach of healthy workplaces through best practices	Jain, Aditya (2755)
Is the "healthy workplace" concept useful in developing countries? - suggestions for changes in the concept	Wagner, Norbert (1885)
Comprehensive health assessment among industry's works in Brazil	Coelho Neto, Fernando (2875)
Healthy workplaces: a policy and practice framework to promoting mental health at work	Leka, Stavroula (1176)
A review of worksite physical activity and nutrition interventions: from people to places	Van Mechelen, Willem (2678)
HIV/AIDS in the Workplace: case management (S35)	
HIV /Aids in the workplace - Problems in HIV exposure management	Webber, Lynne (3202)
IEA/ILO Toolkit: Ergonomics Checkpoints (S37)	
Participatory approach to developing ergonomics checkpoints	Kogi, Kazutaka (1516)
Action-oriented use of the IEA/ILO ergonomics checkpoints in small-scale workplaces	Arphorn, Sara (3185)
Effectiveness of ergonomics checkpoints as training tools for improving informal sector workplaces	Kawakami, Tsuyoshi (2534)
Innovative Approaches for Small Scale Workplaces and the Informal Sector (S41)	
Participatory approaches to improving safety, health and working conditions in informal economy workplaces- ILO experiences in Asia	Kawakami, Tsuyoshi (2534)
WIND program has assisted farmers in building safe and healthy farms in the Mekong Delta Area, Vietnam	Khai, T T
Work well-being of entrepreneurs, employees and enterprises	Naumanen, Paula (1415)
Integration of Classic and Molecular Epidemiologic Approaches to Studying Occupational Cancer (S98)	
Integrating classic and molecular epidemiologic approaches to studying occupational cancer	Rothman, Nathaniel (2644) Silverman, Debra (2643)
Classical and molecular cancer epidemiology in the Agricultural Health Study	Blair, Aaron (2646)
Occupational formaldehyde exposure and leukaemia	Beane Freeman, Laura (2638)
Organic solvents and risk of non-Hodgkin lymphoma: using a module-based approach to exposure assessment in a case-control study	Steward, T
Occupational exposure to trichloroethylene and lymphocyte subset toxicity	Lan, Qing (2639)
International Support to Professional Education for Basic Occupational Health Services (S42)	
Introduction and background- International support to professional education for Basic Occupational Health Services	Harrison, John (2953)
What can be done - International support to professional education for Basic Occupational Health Services	Van Dijk, Frank (1525)
Leadership, Teamwork, and Organizational Impact on Health for Health Care Workers (S47)	
A more collaborative form of work organisation reduces intent to leave and burnout among physicians - results from the French SESMAT study	Estryn-Behar, Madeleine (2066)
Health care leaders' stress and their time use	Dellve, Lotta (1503)

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Dialogue training to promote health among health care workers	Ahlborg, Gunnar (1868)
OHASIS (Occupational Health And Safety Information System): An innovative web-based tool to promote and protect the health and safety of the healthcare workforce	Yassi, Annalee (1530)
Mechanisms in Emerging Ill-health Symptoms in Occupational and Environmental Allergy and Immunotoxicity (S48)	
Lifestyles and Immunopotentials	Morimoto, K
Reduced blood NK cytotoxic activity in men with occupational stress and job insecurity	Boscolo, Paolo (2004)
Present status and countermeasure of occupational sensitizing substances-in conformity with the globally harmonized system of classification and labelling of chemicals (GHS).	Sato, Kazuhiro (1275)
Autoimmunity and occupational stress	Pulini, Simona (2039)
Prevention of Ill-health Effects of Stress and Lifestyle (Part 46), Relationship among Sick Building Syndrome, Insecticide, and Lifestyle in Japan	Nakayama, Kunio (2063)
Mining (S49)	
A step to excellence: Occupational Medicine practitioner accreditation	Botha, Marina (1238)
Mining Industry Occupational Safety and Health (MOSH) Silica Dust Best Practice Adoption System	Govender, Vanessa (1684) Rogans, T
Occupational Hygiene, Man-Job Specifications and Fitness to Work - What are the links?	Badenhorst, Casper Johannes (1049)
South African commissions of enquiry into the health of miners: 1902-1995	Davies, John Carol Anthony (2104)
The assessment of work capacity: a practical approach to managing physical fatigue	Hofmann, Tia-Mari (3103)
Nanotechnologies: Global Sharing of Advances in Occupational Safety and Health (S50)	
Current understanding of safety of engineered nanoparticles and nanotechnologies	Savolainen, Kai (2650)
Assessment of exposure to airborne manufactured nanomaterials in workplaces: an overview	Brouwer, Derk (3298)
Pulmonary inflammation and titanium dioxide nanoparticles	Alenius, Harri (2808)
Exposure registries for persons working with engineered nanoparticles	Sng, Judy (1139)
Consideration of issues in conducting epidemiologic studies of workers exposed to engineered nanoparticles	Schulte, Paul (2725)
Regulatory aspects of nanomaterials - an EU policy perspective	Aguar, P
Neurotoxicity by Solvents: Chronic Toxic Encephalopathy (S45)	
JP-8 jet fuel but not Fischer-Tropsch fuel promotes noise-induced hearing loss in rats	Fechter, Laurence (2273)
National Survey on Chronic Solvent Encephalopathy	Sainio, Markku (2510)
Chronic Solvent Encephalopathy: a new diagnostic procedure	Van Der Laan, Gert (1943)
Chronic Solvent Encephalopathy: a consensus proposal	Van Thriel, Christoph (2711)
New Approaches for Pesticide Risk Assessment and Health Surveillance (S51)	
Changing the paradigm of toxicity testing of pesticides: between science and regulation	Moretto, Angelo (2697)
Biomarkers of exposure and effect	Glass, R
Exposure and risk profiles	Colosio, Claudio (1358)
Are pesticides toxic only in theory but safe in use?	Liesivuori, Jyrki (2681)
Surveillance systems for tracking acute pesticide poisonings	Calvert, Geoffrey (2152)
New Challenges of Neurotoxic Agents: Metals (S52)	
Globalization of metal exposures and health effects	Nordberg, Gunnar F. (2267)

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Cumulative exposure to neurotoxic metals: integration of the time variable in the identification of protective standards	Lucchini, Roberto (1380)
New Perspectives on Manganese Associated Neurologic Dysfunction	Racette, Brad (2287)
Lead, neurodevelopment, neurodegenerative disorder	Kim, Eun A (1400)
The EU project PHIME – neurotoxicity parts	Skervfing, S
New Developments That Will Keep Safety Alive in the Workplace (S44)	
Applying the Risk Management Process to manage your occupational risks	Bennett, LG
'Safety Short' Communication Program - when short and direct communication can reach people at work and at home	Nicholas, Robin (2372)
Commuting accidents in Malaysia	Aziz, Mohammed Azman (1789)
New Evidence of Reproductive Hazards of DDT and Isomers (S70)	
Effects of DDE on time to pregnancy and semen quality in four diverse populations	Toft, G (1896)
Reproductive health effects due to DDT occupational exposure in South Africa	Dalvie, Mohamed Aqiel (1939)
Male reproductive effects of DDT in a highly exposed population	De Jager, Christiaan (3142)
Exposure of mother-child and postpartum woman-infant pairs to DDT and its metabolites in Tianjin, China	Yanrang, Wang (2321)
New problems in Indoor Air Quality (S53)	
What Chemical Species to Measure Indoors?	Wolkoff, Peder (2029)
Indoor Air Problem to Policy: A Case Study of Solvent Exposure among Staff at Srinakharinwirot University Hospital	Ekpanyaskul, Chatchai (1966)
Working in confined non-industrial environments and respiratory diseases	Muzi, Giacomo (1517)
Role of Occupational Physician in the assessment and management of indoor air quality problems	Carrer, Paolo (1798)
New Strategies on Health Surveillance in the 21st Century Part 1 (S90)	
Workers' health surveillance and company health policy in the Netherlands	Weel, André (2386)
Workers' health surveillance in Belgium: recent developments and challenges for the future	De Schryver, Antoon (1785)
New protocol of health surveillance in Serbia	Bulat, Petar (2498)
Occupational health care of workers in Germany in 21st Century	Schmeisser, Giso (2981)
New Strategies on Health Surveillance in the 21st Century Part 2 (S90)	
Historical trend and recent reform of legislated health surveillances for workers in Japan	Horie, Seichi (2404)
Challenges and perspectives of Health Surveillance in Korea	Kang, Seong-Kyu (1443)
Health Surveillance in Taiwan	Guo, How-Ran (2264)
Occupational Health and Safety in Africa (S56)	
A systems approach to promoting a preventative safety and health culture at national and enterprise levels	Muchiri, Franklin (2483)
Exposure to heavy metals in mining communities in Ghana	Clarke, Edith (3053)
Needle stick injuries among nurses in sub-Saharan Africa	Nsubuga Mangasi, Fredrich (3051)
Basic Occupational Health Services in Tanzania	Kayumba, Akwilina (1914)
Occupational Health and Safety in Asia (S59)	
OSH problems in Vietnam and action plan from 2008 to 2012	Nguyen, Thi Hong Tu (2112)

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Occupational health challenges in India & role of professional NGOs	Pingle, Shyam (2229)
Status of Occupational Health and Safety in Thailand and future perspectives	Siriwatananukul, Phanompun (2774)
Occupational Health and Safety in the Arab World	Habib, Rima (1731)
Risk affected children's health in a traditional waving village in Vietnam	Nguyen, Bich Diep (1568)
The exploration of suitable models for WHO BOHS at grass-root levels in Guangdong	Huang, Hanlin (2911)
Occupational Health and Safety in French-speaking countries - session in French (S57)	
Allergie professionnelle en milieu hospitalier: A propos de 1832 personnels soignants	Gharbi, Rafik (1727)
The occupational health challenges during a Chikungunya epidemic in Reunion Island	Stojcic, Irene (2212)
Faciliter la communication autour de la question de la santé au travail - contribution d'une société savante	Kieffer, Renée (2464)
Bio monitoring des expositions dans l'exploitation minière artisanale au Katanga	Elenge Molayi, Myriam (2984)
Les facteurs psycho-sociaux dans un contexte de pays en développement, le Sénégal: état des lieux et perspectives	Ndiaye, Mor (2805)
Evaluation des conditions de travail et de l'état de santé des teinturiers au Dakar, Sénégal	Gaye Fall, Mame Coumba (3249)
Occupational Health and Safety in Latin America (S60)	
Occupational Safety and Health in Colombia	Canney, Patricia (2142)
Basic Occupational Health Services in Chile	Herrera-Moreno, Veronica (2054)
Occupational Health and Safety in Portuguese-speaking countries - session in Portuguese (S58)	
Adolescents at work: health consequences and education	Fischer, Frida Marina (1343)
Child labour and severe silicosis in lapidaries of semi-precious stones assisted in the Workers Health Reference Centre of Minas Gerais, Brazil	Carneiro Scalia, Ana Paula (1207)
Developing Comprehensive Workers' Health Care within the National Health System in Brazil: Sharing the experience of 'RENAST'	Dias, Elizabeth (2202)
Occupational health and safety training / education in Mozambique	Muianga, Custódio (2130)
Regional collaborations in occupational health and safety	Nogueira, Claudina (1089)
Occupational Health for Municipalities (S91)	
Health status of sewage workers in Delhi	Mittal, Ashish (2258)
Analysis of the outcome of fitness for work medical evaluations in the City of Tshwane, South Africa	Wynand, Lezanne (3246)
Promoting the health of municipal leaders	Kaleva, Simo (2653)
Methods of accommodation for medically incapacitated employees of the City of Tshwane	Ungerer, Daniel (2601)
Occupational Health Nursing Part 1 (S62)	
The long term efficacy of work related rehabilitation	Himmanen, Eeva (1346)
Factors related to work ability among Thai workers	Kaewboonchoo, Orawan (2499)
The silent path to work disability	Mininel, Vivian (2860)
The profile of disease of nursing workers in Brazilian university hospitals	Felli, Vanda (2511)
Occupational Health Nursing Part 2 (S62)	
Remuneration survey for OHNPs highlights research needs.	Michell, Karen Elizabeth (1464)
Workplace survey by occupational health service in Finland	Rautio, Maria (1650)

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Managing the incidence of allergic responses to platinum salts	Jordaan, Rene (1591)
Creating occupational health service action plans for client organizations	Peurala, Marjatta (1204)
Occupational Health Risks for Chronic Obstructive Pulmonary Disease (COPD) in Construction (S63)	
Overview of COPD	Boulat, Jean-Francois (2966)
Experience from the past	Bonnin, Catherine (2961)
COPD among US construction workers	Welch, Laura (1419) Dement, J
Future risks: nano-particles	Lebaupain, Claudie (2967)
Effectiveness of smoking cessation in construction workers	Ringen, Knut (1444)
Occupational Health: A Common Goal in the Global Village Part 1 (S55)	
Restructuring of work in the globalized world and occupational health	Kieselbach, Thomas (1514)
The impact of globalization on OHS: A case of developing countries	Abongomera, Liri Amone (3370)
How to build a sustainable OSH system in a developing country	Makhonge, Pius (3366)
Occupational Health: A Common Goal in the Global Village Part 2 (S55)	
Basic Occupational Health Services – guidelines for practice	Rantanen, Jorma (3046)
OSH as a factor for the social and economical development of the country	Kitumbu, Hamisi
Ethics in globalizing work life	Westerholm, Peter J.M. (2197)
Occupational Medicine: New Trends in Work-related Diseases Part 1 (S64)	
New trends in work-related diseases	Bertazzi, Pietro Alberto (1620)
From epidemiological findings to individual diagnosis	Taskinen, Helena (1595)
Specialist training in occupational medicine: preparing trainees for the management of work-related diseases	Harrison, John (2953)
A European Union project on guidelines for recognising occupational disease	Aw, Tar-Ching (2006)
Occupational Medicine: New Trends in Work-related Diseases Part 2 (S64)	
Impact of work-related diseases on workers' compensation	Upegui, Hector (1619)
Trust and vulnerability in doctor patient relations in occupation health services (OHS)	Plomp, H. Nico (2685)
Way forward with work-related diseases	Rantanen, Jorma (3046)
Prediction and Prevention Strategy for Allergic and Immunotoxic Responses in Occupational and Living Environment (S66)	
Allergens in Occupational Allergy: Prevention and Management	Di Gioacchino, Mario (2299)
Prevalence of allergic symptoms in a group of workers of a spice factory. Preliminary data	Arcangeli, G
Prevalence and risk factors for latex related-diseases among health care workers in the hospitals of Abruzzo region, Italy	Di Giampaolo, Luca (2519)
Laboratory Animal Workers Exposures to Particulate Matter, Allergen, and Endotoxin	Conroy, Lorraine (2060)
Aluminium-induced neurotoxicity and possible relation with Alzheimer's disease	Niu, Q
Preventing Air and Blood-borne Occupational Exposure Among Health Care Workers (S67)	
Welcome, opening plenary and facilitation of case studies	Wilburn, Susan (2542) Nophale, Letshego (2283)
Health and safety committees	Mancillas, J

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Promoting influenza vaccine	Buchta, William (1327)
Closing plenary, report back and synthesis	Yassi, Annalee (1530)
Psychosocial Risk Management: A European Framework (S68)	
The European Framework for Psychosocial Risk Management: PRIMA-EF	Leka, Stavroula (1176)
Perceptions of psychosocial risks at work: a survey among European stakeholders	Iavicoli, Sergio (2326)
Towards Indicators and Monitoring of Psychosocial Risk Management	Houtman, Irene (2809)
European and International standards related to psychosocial risks at work: state of the art	Widerszal-Bazyl, Maria (2579)
Evaluation of Best Practice Interventions for Psychosocial Risk Management	Jain, Aditya (2755)
Reproductive Health: Exposure Assessment and Outcomes (S100)	
Exposure assessment in occupational reproductive studies	Heederik, D
Design and outcome in reproductive health studies	Bonde, Jens Peter (1756)
Reports from studies in male reproductive health effects in South Africa	Dalvie, Mohamed Aqiel (1939)
Reproductive Health: Studies in Africa (S101)	
Infertile worker effect in Africa	Vekinis, Magdalene (1152)
Time-to-pregnancy (TTP) in African context	Bello, Braimoh (1266)
Collaborative studies in Africa	Kielkowski, Danuta (1148)
Revisiting Knowledge Translation: Moving Research to Practice (S71)	
Knowledge translation in occupational safety and health: A short review of lessons learned from other disciplines	Lum, Max (2022)
Culture and community - safety communication that goes directly to workers and their values	Nicholas, Robin (2372)
Knowledge translation: modifying and applying a prototype model focused on preventing occupational injuries to young workers. A possible diffusion model for other countries	Ismail, R
Knowledge translation: lessons learned from the implementation of case-based e-learning training. Program across national boundaries	Kolb, Stefanie (2352)
Knowledge translation: lessons learned from the implementation of a prototype workshop model for teaching the fundamentals of occupational health, hygiene, and safety	Burra, Lalitha (2370) Nickels, Leslie (2079)
Risks of the Rescuers (S72)	
Current challenges to occupational health and safety from emergency events	Rantanen, Jorma (3046)
Risk assessment of disaster relief personnel	Loutan, Louis (3450)
Principles of risk assessment for safety and health at peace keeping operations	Mukala, Kristiina
Benefits and costs of health examinations of border guard personnel	Asplund, Pertti (3304)
Medical intelligence, strategies and methods	Westerholm, Peter J.M. (2197)
Role of Biomonitoring in Occupational Health Risk Assessment (S73)	
Biomonitoring for Occupational Health Risk Assessment (BOHRA): a Proposal for an ICOH Position Paper	Manno, Maurizio (1033)
The role of biomarker time profiling in understanding chemical exposure patterns	Viau, Claude (1055)
Assessment of dose-effect and dose-response relationships for systemic effects of toxic elements: an updating with novel findings on cadmium-induced nephrotoxicity	Bernard, Alfred (3228)
Biomarkers of exposure for inhaled particles causing local effects on the route of entry	Mutti, Antonio (1981)

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Shiftwork, Working Hours and Health: Part 1 (S75)	
Shiftwork and gastrointestinal disorders	Knutsson, Anders (2675)
Shiftwork and metabolic syndrome	Lowden, Arne (2730)
Shiftwork and cardiovascular disease	Härmä, Mikko I. (1594)
Shiftwork, Working Hours and Health: Part 2 (S75)	
Shiftwork and cancer	Costa, Giovanni (1312)
Determinants and effects of working over-time in medical residents	Sluiter, Judith (1165)
Participatory steps for improving workplace conditions and work schedules of health care workers	Kogi, Kazutaka (1516)
Silica, silicosis and tuberculosis (S76)	
Epidemiology of silica, silicosis and tuberculosis	Murray, Jill (1156) Ehrlich, Rodney (1522)
Surveillance of workers exposed to crystalline silica	Sherson, David (1137) Rees, David (1141)
Preventing PTB in silica exposed workers	Churchyard, G
An example for dust control in a town-village quarry enterprise in Fujian province, China	Li, D
Sleep Problems in Shift Workers (S77)	
The physiological and cognitive effects of cumulative sleep restriction	Härmä, Mikko I. (1594)
Sleepiness, sleep duration and sleep quality in Brazilian nurses	Fischer, Frida Marina (1343)
Sleep on the job and need for recovery from work among nursing personnel	Rotenberg, Lucia (2731)
Can we improve the sleep of shift workers?	Boivin, Diane (2719)
The Shift Work Sleep Disorder: practical implications for the Occupational Health Physician	Costa, Giovanni (1312)
Solar Radiation and Health Risk in Exposed Workers (S92)	
Assessment of outdoor workers' exposure to solar UV radiation	Hietanen, Maila (1703)
Occupational exposure to solar radiation and health: the results of epidemiology	Cocco, Pierluigi (2402)
UV radiation and the immune system: current knowledge	Corsini, Emanuela (2706)
Health risk communication for UV radiation	Repacholi, Michael (2779)
Standardization of Chest Digital Images in the Screening and Education for Occupational Respiratory Disorders: Part 1 (S78)	
Training in the ILO Classification of Radiographs in Brazil, 1994-2007	Algranti, Eduardo (1328)
The capacity building of physicians in reading of chest x-ray for pneumoconiosis in Thailand	Siriruttanapruk, Somkiat (1892)
Establishing the equivalence of digital and analogue chest radiography in medical surveillance of a workforce with a high silicotuberculosis prevalence	Ehrlich, Rodney (1522)
Standardization of Chest Digital Images in the Screening and Education for Occupational Respiratory Disorders: Part 2 (S78)	
Comparison of reliability of classification for pneumoconiosis of film and digital radiographs: a modelling approach	Franzblau, Alfred (2017)
Digital chest x-ray in the surveillance of asbestos-exposed workers in Germany	Kraus, Thomas (2430)
Utilization of ILO 2000 standard digital images and the selection of new digital standard radiographs in dust exposed workers for pneumoconiosis classification	Kusaka, Yukinori (1396)

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
Strategies and Programs of International Organisations: WHO, ILO, UNEP, ISSA, ICOH, IEA, IOHA, EU: Part 1 (S79)	
Towards a comprehensive and integrated approach: the International Social Security Association (ISSA) prevention programme	Konkolewsky, Hans-Horst (3181)
Advancing Ergonomics to the International community	Caple, David (3059)
Using global burden of disease measurements as an evidence base for the development of prevention programs by international organizations	Driscoll, Tim (2973)
Global Forum for Health Research: helping identify research agendas and promoting their implementation	Olifson, Sylvie (2490)
Strategies and Programs of International Organisations: WHO, ILO, UNEP, ISSA, ICOH, IEA, IOHA, EU: Part 2 (S79)	
Strategies and Programs of International Organisations: the World Health Organization (WHO)	Wilburn, Susan (2542)
ICOH Strategic Objectives for the Changing World of Work	Rantanen, Jorma (3046)
The International Occupational Hygiene Association (IOHA): who we are and what we do	Grumbles, Thomas (2818)
International Strategies on Health and Safety at Work: EU Agency for Safety and Health at Work	Takala, Jukka Sakari (2757)
The Strategic Approach to International Chemicals Management (SAICM) – the next decade	Onyon, Lesley
Strategies for Education and Training on Pesticide Use Part 1 (S80)	
The Cartagena Declaration and its major impacts enforcing education and training on Pesticide use In Colombia and Latin America	Rodriguez Guzman, Julietta (2515)
Education and Training experiences in Latin America	Palacios, Marta
Education and Training experiences in South-East Europe	Karadzinska-Bislumovska, Jovanca (2958) Bulat, Petar (2498)
Training and education programs in rural China	Wang, Sheng (3021)
Strategies for Education and Training on Pesticide Use Part 2 (S80)	
Need and initiative to promote occupational health training in French-speaking African countries	Fayomi, Benjamin (2002)
Theory and practical exercise in a four day course addressed at public health personnel of a tropical country: the approach and the outcomes	Moretto, Angelo (2697) Colosio, Claudio (1358)
Educating Health Professionals in Agricultural Medicine	Vanderwal, Londa (3327)
Student Poster Session and ICOH Award (S81)	
Student Participation Overview	Lacey, Steven (2505) Conroy, Lorraine (2060) Nickels, Leslie (2079)
Travel, Health and Risk Management in the Workplace (S83)	
HIV and the traveller	Mendelson, M
Diving Medicine in Africa	Rosenthal, Jonathan (2962)
Preparing to work in Africa	Vincent, John Peter Douglas (2123)

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
WHO Collaborating Centres (S99)	
Welcome and Orientation to meeting	Fingerhut, Marilyn A (1057)
Message from WHO: Looking forward to the Collaborating Centre Meeting in October 2009	Wilburn, Susan (2542)
Recap of progress on 2009-2012 Work Plan	Nickels, Leslie (2079)
Introduction of GPA Managers, Collaborating Centre Network Advisory Committee and Collaborating Centre participants	Fingerhut, Marilyn A (1057)
Questions and invitations for personal meetings with Activity Area Managers	Fingerhut, Marilyn A (1057)
WHO Global Plan of Action for Workers Health: Implementation Updates (S28)	
Global Plan of Action 2009-2012 - Introduction	Wilburn, Susan (2542)
Global Plan of Action 2009-2012 Work Plan: Structure and Outcomes	Nickels, Leslie (2079)
GPA 1: Devise and implement policy instruments on workers' health	Nogueira, Claudina (1089)
GPA 2: Protect and promote health at the workplace	Leka, Stavroula (1176)
GPA 3: Improve the performance of and access to occupational health services	Leino, Timo (1589)
GPA 4: Provide and communicate evidence for action and practice	Curran, Andrew
GPA 5: Incorporate workers' health into non-health policies and projects	Macdonald, Wendy (2616)
Women at Work and Women at Home: Is There a Difference? Part 1 (S86)	
Mothers in the West and the Rest: the case of transnational adoption	Högbacka, Riitta (2902)
Childcare vouchers: an answer to stress prevention and a tool for work life balance	Renaudin, Nathalie (1852)
Women, work and young children: a balance or a chaos?	Kauppinen, Kaisa (2117)
Development of an Educational and Training Tool for Workplace Health Promotion focusing on Women - the HPROWOMEN project	Karnaki, P
Self-reported health in mothers: the impact of work and socioeconomic conditions	Floderus, Birgitta (1177)
Women at Work and Women at Home: Is There a Difference? Part 2 (S86)	
Disease screening for women at the workplace	Riza, Eleni (3369)
Work-home conflict and perceived health of Estonian working women and men	Merisalu, Eda (2468)
Making greater allowance for the needs of family life at work increases the welfare and wellbeing of employees	Hiltunen, Marja-leena (3211)
Family Health and Welfare in the Workplace -The USAID-funded project	Tinio, Oscar (3139)
Work and Family: Keeping a Healthy Balance (S87)	
How job demands affect the intimate partner: A test of the spillover-crossover model among Japanese couples	Shimazu, Akihito (1897)
Work-life balance in Malaysia : A proposed model	Dollard, Maureen (3332)
Work-home Interaction: Exploring Work and Non-work Roles of Parenting Employees at a Higher Education Institution	Marais, C
Work Organisation and Psychosocial Factors: Policy, Standards and Surveillance (S88)	
The role of the WHO in supporting countries in policy development and action	Leka, Stavroula (1176)
The Australian Workplace Barometer: Monitoring psychosocial factors and health status at work	Dollard, Maureen (3332)
Does increasing service work lead to more (psychosocial) risks, including violence and harassment?	Houtman, Irene (2809)
Making aetiological research possible when carrying out surveillance of the working environment	Burr, Hermann (2188)

## INDEX OF SPECIAL SESSIONS (ORAL)

Special Session Topic	Presenter
The case for developing standards for psychosocial risk management at work	Jain, Aditya (2755)
Worksite Health Promotion and Work Disability Programmes in the Netherlands: Part 1 (S97)	
The economic impact of physical and diet interventions at the workplace.	Proper, Karin (1829)
Economic evaluation of distance counselling in overweight employees	Van Mechelen, Willem (2678)
The effects of a lifestyle intervention for workers in construction industry on lowering cardiovascular disease risk	Groeneveld, Iris (2335)
Using intervention mapping to develop a health promotion program for older construction workers	Joling, Catelijne (2218)
Vitality in Practice (VIP) - a large project that promotes health and vitality for companies and their workers	Van der Beek, Allard (2680)
Worksite Health Promotion and Work Disability Programmes in the Netherlands: Part 2 (S97)	
The effectiveness of a multidisciplinary outpatient care program for chronic low back pain in occupational health after six months - results of a randomized controlled trial	Anema, Johannes (2677)
Effectiveness and process evaluation of a workplace intervention for sick-listed workers with common mental disorders	Van Oostrom, Sandra (2679)
Cost-effectiveness of guideline-based care for workers with common mental disorders	Rebergen, David (1397)
Cost-effectiveness of physical training for self-employed persons with musculoskeletal disorders: a randomized controlled trial	Bongers, Paulien (2684)
Intervention Mapping for development of a participatory return-to-work intervention for temporary agency workers and unemployed workers sick-listed due to musculoskeletal disorders	Van der Beek, Allard (2680)
